

# Gloucestershire

## Personal Details:

**Name:** Mr Graham Bocking  
**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** Innsworth Parish Council (Parish or town councillor)

## Comment text:

**Related subject:** Tewkesbury Borough

Due to the interconnecting infrastructure and related issues the parishes within the old Highnam division to the east of the river Severn (the Tewkesbury Borough Innsworth ward, Severn Vale south ward and parts of the Severn vale North (except Deerhurst parish which could be removed to balance numbers) and Badgeworth wards need to stay together, these could then be added to the CHJ2 poling district from Churchdown as it is linked with Innsworth to give the new division satisfactory numbers

The part of the old Highnam division west of the river Severn could then be added along with Deerhurst parish and the Tewkesbury Borough Tewkesbury South could make another division

The TBC wards Tewkesbury north with Twynning and Tewkesbury East could then be combined for another division

A further division could then be created combining the TBC ward of Northway with the remaining areas of the old Tewkesbury East division and the areas of the Cleeve division that are outside of the TBC wards of Cleeve West, Cleeve St Michaels and Cleeve Grange that would make up the Cleeve division

The Churchdown division (having lost the CHJ2 polling district) could then incorporate the parts of Hucclecote within Tewkesbury Borough which would also bring the Brockworth division down to size
