Dear Boundary Review Team

I have currently lived at Hastings Hill for 38 years and wouldn't want to move anywhere else, having previously lived in Grindon.

I wholly support that Hastings Hill be kept in the present Sandhill Ward alongside Grindon, Springwell and Thorney Close.

These four estates form a compact, accessible and perfect boundary.

Durham Road / Springwell Road / Chester Road & Broadway/ A19 quadrangle

The current Sandhill Ward is well run with excellent communication from the Lib Dem team who are approachable and take action when necessary.

I feel that changes to the existing Sandhill Ward boundary would be detrimental to the residents of Hastings Hill and the rest of the Ward and have a serious impact on the effectiveness on the services and actions provided by the Lib Dem's

South Hylton, Pennywell and Ford Estate have their own perfect boundary and Hastings Hill would be out on a limb.

Regards
