**Name:** [REDACTED]  
**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Uley and Owlpen

Moving Owlpen would be crazy! Owlpen is essentially "joined at the hip" with Uley: the two settlements share the same valley and physical resources. It could only lead to inefficiencies (i.e. wasting of council money) and misunderstandings if services for Owlpen are separated from those for Uley. This does not make sense!!!
