Comment text:

Please leave the areas as they are, there is no need for changes and your proposed changes would possibly reduce house prices if changed, for example from Childwall to Broadgreen. I am a Childwall resident and proud of this area and community and my children were born/grew up and went to school in this area, do to have that taken away and we are under a different area is also going to impact on our family culture history and roots. Please focus money and time on more pressing matters like the environment, tackling crime, more police needed on the streets, maintaining our parks and roads/streets, city centre which has deteriorated, and improving education and social care in the city.
