

REF GRANGEFIELD WARD
STOCKTON ON TREES.

DEAR REVIEW OFFICER,

I am most concerned to learn that there are proposals to dissolve the above Ward.

Grangefield Ward sits in the centre of the Borough of Stockton on Tees, and the name Grangefield is well known throughout Teesside.

The name Grangefield goes back a long time and is associated with many buildings and areas in the Ward.

We have the Grangefield Estate Community Hall which was

built in 1910. The Grangefield Academy that was recently rebuilt plus the Stockton Cricket and Football Teams which are all situated in the Grangefield Ward.

Grangefield Park is maintained mainly by the community and has a childrens play area plus a teenagers sports arena. As you can see this Ward is a very important part of Borough of Stockton on Tees and I would like to ask the Boundary Commission to reconsider any proposals to dissolve the Ward.
