To whom it may concern,

I would like to express my opposition to the proposal to abolish Grangefield ward and move it into Newtown ward.

Grangefield Ward works most satisfactorily within its current boundaries and is well looked after by a councillor who is committed to the ward of Grangefield. We have a comprehensive list of facilities which work well for the area such as bus routes, shops, leisure facilities, schools and churches.

To increase the size of the ward by joining the two would double the workload of the councillor and make for a more stretched service.

I am unable to see any advantages if the proposal is adopted but can see disadvantages.
