Dear sir or madam,  
re the proposed amalgamation of Grangefield with Newtown in Stockton on Tees.  
I have lived in Grangefield for 40 years. Prior to this I lived in Newtown for 15 years.  
The 2 areas have nothing in common & are separated by what amounts to a green belt, they have separate shopping areas, separate bus services etc.  
A single councillor ward comprising Grangefield & Newham Grange Estate & Bramley Green Estate would be the perfect solution as they adjoin & share transport links, shopping & leisure facilities.  
I think that the proposed amalgamation of the Grangefield Estate would be a totally negative move.  
Thank you.
