

Stockton-on-Tees Borough Council**Personal Details:****Name:****E-mail:****Postcode:****Organisation Name:****Comment text:**

why are the residents of Grangefield being amalgamated into New Town , i fear this will devalue our properties on the open market as most of the Grangefield housing stock is privately owned, in fact i honestly do not think that the residents are even aware of the proposed plans , letters should have been sent out to every house, explaining and asking for their personal views .
