

**Stockton-on-Tees Borough Council****Personal Details:****Name:****E-mail:****Postcode:****Organisation Name:****Comment text:**

Wynyard should be in a ward of its own, not split between Stockton Council and Hartlepool Council. The two councils should discuss merging the Wynyard area. This would mean one of the councils losing their piece of Wynyard but overall would be best for the area. Wynyard had grown so much recently that is developing its own identity but cannot move forward when governed by two separate councils.
