

# Surrey

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

There are no comparable population data provided here to be able to review the fairness or otherwise of any proposals which in themselves are not immediately visible. The Proposal to have 81 councillors seems excessive. The population of Surrey is reported at 1.1m (so a probable 0.8m voting population) 66 councillors over 11 divisions voted by single transferable vote would appear to be the most equitable treatment for Surrey.
