

Canterbury

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

I agree with your view that 39 Councillors is sufficient for Canterbury. As far as possible each ward should have 3 councillors. No ward should have a single councillor.

All Councillors can sit on non executive Committees.

The functions carried out by the district council do not warrant additional councilors. Most major services are carried out by the Kent County Council in any event.
