Good afternoon

I am a Wentbridge resident.

Wentbridge Village is a small Parish (newly formed previously 3 parishes) and as a community we are keen to develop a sense of collective identity. Wentbridge currently has two wards, one at each side of the river (Ward 1 Upton, Ward 13 Pontefract South). It would be great if the village could be united and consolidated as one ward which would sit within the Parish of Wentbridge. This would enable the village to do this together and allow us to feel part of one whole community. I hope this will be considered seriously.

With many thanks
