Related subject: Herne & Broomfield

It seems totally illogical to split the Herne & Broomfield residential area such that the eastern section of it becomes part of the totally unrelated and unconnected Wantsum ward (it is not totally clear from the map whether my address stays or moves but in any event, the proposal has potentially damaging effects upon our local area). We have no rational connection whatsoever with the remainder of the Wantsum ward and wish to continue to be linked to Herne Bay.
