**Related subject:** Herne Village and Wantsum

I am against these changes. The changes do not reflect the local community as it would split Broomfield into two. We will be part of Hoath which we have no involvement in. we regularly visit the Herne centre and use the facilities.

I would propose that the rest of Broomfield be removed from Wanstsum and join Herne Village. This would make all of Broomfield together and not split in two, keeping the community together.
