

SEFTON

July 2024

NEW ELECTORAL ARRANGEMENTS

Currently there are:

- 66 councillors
- 22 wards
- 3 councillors per ward

55 comments from residents and
organisations

We aim to make sure Sefton
councillors represent a similar
number of electors

Currently there are:

- 1 ward that is more than
10% away from the average
number of electors per ward
- No wards that are more than
30% away from the average

From elections in 2026:

- 66 councillors
- 22 wards
- 3 councillors per ward

Sefton will move towards:

- No wards being more than
10% away from the average
number of electors per ward
- Each councillor representing
an average of 3,430 electors
