Organisation Name: Westwood Heath Residents Association (Representative of a local organisation)

Comment text:

Related subject: Westwood / Tile Hill / Canley

I do not agree that Westwood Heath should be included in the Wainbody Ward.

Westwood Heath has close ties with Canley and Tile Hill. There is a shared woodland area with affords easy walking access in both directions, and social contact with walkers from both areas.

The business park area has been transformed into a residential area of increasing density, and Tile Hill / Canley share some of the "studentification" issues with Westwood Heath.

There are common doctors surgeries and pharmacies shared by both areas.

By contrast there is no significant local crossover between Westwood Heath and for instance Finham, so there is no real synergy to be gained there.
