## Comment text:

**Related subject:** Westood Heath and Cannon Park

Looking at this new boundary map, for Westwood Heath and Cannon Park it does not look like a good fit.

There are lots major issues about the University which impact Westwood Heath, Cannon Park, Canley and Tile Hill so it's much better if these residents are together on this rather than a ward which is dispersed. Finham and Wainbody residents etc do not have the same impact or concerns about Warwick University.
