I am most perturbed to hear that there is a possible move to merge Wainbody Ward with Earlsdon Ward !

As a resident of Wainbody Ward. I can count on the fingers of one hand the amount of time I've had reason to visit the Earlsdon area & have no interest whatsoever in how their Labour Counsellors are running the area.

Styvechale Residents have regular monthly meeting with there current Councillors in attendance and would wish it to continue, which I can't see happening if Wainbody is swallowed up by Earlsdon as their counsellors with have no affinity with our area

Many of our friends & resident in Stivichall Grange are quite shocked at the unnecessary proposal
