

NORTH WEST LEICESTERSHIRE

NEW ELECTORAL ARRANGEMENTS

September 2024

Currently there are:

- 38 councillors
- 38 wards
- 1 councillor per ward

We are proposing:

- 39 councillors
- 39 wards
- 1 councillor per ward

A public consultation is open until
11 November 2024

We aim to make sure North West
Leicestershire councillors represent
a similar number of electors

Currently there are:

- 12 wards that are more than 10% away from the average number of electors per ward
- 1 ward that is more than 30% away from the average

Our proposals mean that:

- No wards will be more than 10% away from the average number of electors per ward
- Each councillor will represent an average of 2,335 electors
