Dear Sirs

I have reviewed the proposals for Sunderland - and I strongly object to them.

I live in Esplanade West which is in Ashbrooke and is currently St Michael's Ward. I DO NOT want to be part of Hendon. If I'd wanted to live in Hendon I would have bought a house there.

St Chad's - I am against this ward because it does not reflect a natural community. These areas have nothing in common with one another. Silksworth, Farringdon and Lakeside have more in common with one another. Tunstall and Humbledon are neighbouring communities. We request you revert to your previous Tunstall and Humbledon and Farringdon and Silksworth Wards. Herrington - we do not agree that Herrington is not a single community. We believe there are strong geographic and community links that bind the Herringtons together. We encourage you to revert to the Herrington Ward proposal. Washington - we agree with the proposal for names here, rather than compass points. I strongly urge you to take these representations into account.
