I disagree with this new boundary.

I can't understand why Springwell has been lumped in with Oxclose, Ayton and part of Lambton. I live in Oxclose and didn't even realise that Springwell was part of Sunderland Council. It feels like a very different place to the other areas and it separated by a Motorway!

I'd also say that the other parts of Lambton and Princess Anne Park feel part of the Oxclose/Ayon community.
