Comment text:

Dear Sirs,,

I, [REDACTED], a resident of ASHBROOKE currently within St Michael's ward, do not consider it appropriate, in any way, to add this area to the new Grangetown ward or Hendon ward and ask you to revert to your previous warding arrangements.

Also who will be paying for all the physical changes, to permit parking signs, permits, etc etc?? This is a total unacceptable, unnecessary and uneconomical cost. When there is nothing wrong with Ashbrooke being left as Ashbrooke

Without prejudice

[REDACTED]
