To whom it may concern

I have been informed that Sunderland council are changing the boundaries.

I do not agree with the change of boundaries and believe the commissions plan to keep Thorney Close with Springwell and Grindon in one ward and to be represented by one set of councillors to be the right thing

These 3 areas neighbour one another and are bordered by mains roads, Chester road, Durham road and that A19. These are obvious boundaries

These estates also share community facilities. Ie schools, community shops and green space in the Barnes park extension and Grindon sandhills

There are good walking, cycling, road and public transport links between these estates.

It obviously makes sense to keep these together and to be represented by one set of councillors. It doesn't make sense to split them up.
