

Sunderland

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

I am a resident of Washington and support the new wards here, including the names. Riverside accurately reflect that part of the former East Ward is Mount Pleasant and not strictly Washington. Local businesses and community centres in this area have been using Riverside much longer than the new 'Riverside Sunderland' project (though the latter is a development brand and not a placename, so this will not be used once the development has finished).
