I do not agree with the proposal to move my street from the Barnes area to Thorney Close and Grindon. As this is quite a large area to begin with I don't think it will be in my best interest to be included in any decisions made regarding funding. I really think this is something that is totally unnecessary and I hope you take note that it's not what the majority of people I have spoken to in this area agree with and that this is not just a tick box exercise
