Name: [REDACTED]

Email: [REDACTED]

Postcode: [REDACTED]

Organisation Name: Friends Of Herrington Village (Representative of a local organisation)

## Comment text:

**Related subject:** St Chad's Ward

All of the Herringtons should be grouped together. Historically East, West and New Herrington have acted as one community and continue to do so.

I am a member of the Friends of Herrington Village and found out about these plans this week and I cannot understand them. Keep our community together!

I am also worried about our beautiful Herrington Country Park being taken away from Herrington wards as we will have Councillors who don't represent it.

I am also very worried about our community being grouped with Plains Farm which is very far away and has nothing to do with us.

Historically the Herringtons have always been together and should be together when it comes to the Council.

Please use some common sense.
