Having been born & bred in Fulwell , sill living in Fulwell.born in Dene Lane now living in [REDACTED].

Using all the excellent facilities & amenities in the area for the past 78 years

I fail to understand the need to change the boundaries. If they have to be changed, why not use Newcastle Road as the boundary between the Fulwell & Southwick wards , and not the railway line .Also why do we need further public consultation, when the commission has already agreed that we should remain in the Fulwell Ward ?
