Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

I have been told that our area is being split up and we are being put into Plains Farm. I am very much against this and would like to register my objection to this.

It would make much more sense to merge New, East and West Herrington as we are one community and have many links including the church and local residents organisations. We are a historic village and have nothing to do with Plains Farm.
