15<sup>th</sup> April 2024

Dear Sir

We totally oppose any plan to merge Hastings Hill and Grindon with Pennywell and South Hylton.

We have good public transport from this estate which goes through Grindon, Springwell and parts of Thorney Close and nothing for Pennywell and South Hylton.

The idea of merging is absolutely ridiculous. I was born and brought up in Thorney Close and just can't justify any merger. Leave the boundary as it is. Thank You
