## Comment text:

Dear Sirs, I have reviewed the proposals for Sunderland - and I strongly object to them.

Barnes – I am against the ward changes because it would divide up the Barnes Park extension along the foot path which makes no sense at all. Combining Barnes and Thornhill doesn't make sense either.

St Chad's - I am against this ward because it does not reflect a natural community. These areas have nothing in common with one another. Silksworth, Farrington and Lakeside have more in common with one another.

Tunstall and Humbledon are neighbouring communities. We request you revert to your previous Tunstall and Humbledon and Farrington and Silksworth Wards.

Herrington - we do not agree that Herrington is not a single community. We believe there are strong geographic and community links that bind the Herringtons together. We encourage you to revert to the Herrington Ward proposal.

Washington - we agree with the proposal for names here, rather than compass points. I strongly urge you to take these representations into account.

Best wishes
