## Comment text:

Dear Sirs,

I have reviewed the proposals for Sunderland and I strongly object to them!

Let me outline why:

St Chad's - I am against this ward because it does not reflect a natural community. These areas have nothing in common with one another. Silksworth, Farringdon and Lakeside have more in common with one another. Tunstall and Humbledon are neighbouring communities. Therefore I request that you revert to your previous Tunstall and Humbledon & Farringdon and Silksworth Wards.

Herrington - I do not agree that Herrington is not a single community. I believe there are strong geographic and community links that bind the Herringtons together. I encourage you to revert to the Herrington Ward proposal.

Washington - I agree with the proposal for names here, rather than compass points. I strongly urge you to take these representations into account.

Thank you.
