## Comment text:

Hello,

I am aware that there is to be a final consultation regarding boundaries.

I live at [REDACTED] and are currently in the Sandhill Ward along with the areas of Grindon, Springwell and Thorney Close. There has been a proposal to move Hastings Hill and Grindon to be with Pennywell and South Hylton. I strongly believe that the boundaries should remain the same as they currently are.

All of our current areas are beside each other and fall between Chester Road, Durham Road and the A19, so making a natural boundary. They share schools and catchment areas. Bus routes are also linked between the areas. There is good access to shops.

To reiterate, the boundaries should remain the same for Hastings Hill, Grindon, Springwell and Thorney Close.

Thanks

[REDACTED]
