As part of your consultation on Cheshire East Ward boundaries, I am responding to the consultation in respect of Congleton in my role of a Congleton Town councillor.

The total area to be covered by the proposed Congleton Wards looks to me to be reasonable.

However, I strongly disagree with Cheshire East Council's proposal that this very large area should be represented by just two Wards with each having three Cheshire East councillors.

Three member Wards are unnecessarily unwieldy making it unnecessarily difficult for effective and convenient local government, which is one of your three key parameters.

In my opinion, residents in Congleton would be much better served if there were three Wards each represented by two Cheshire East councillors because it would make it easier for residents to relate to their Cheshire East Ward councillors and vice versa.

If you need any further information, please do not hesitate to contact me.
