Dear Sirs,

I approve in full the recommendations of the Cheshire East BC regarding the proposed changes to electoral ward boundaries post 2027. Specifically I support the proposals for:-

1. A single three seat borough ward for Poynton coterminous with the town council boundary.
2. All the proposals for the Cheshire East electoral wards in the town of Macclesfield.
3. The proposal for a two seat ward covering Bollington and Rainow.
