Ollerton with Marthall should remain within the Chelford Ward.

Our parish is inextricably linked to the village of Chelford:

- * Chelford Ward is a very wide (east to west) ward and Ollerton with Marthall is the geographic centre of that area.
- * "Chelford village's only pub", the Egerton Arms is actually over the border in Marthall
- * Chelford village's largest housing estate "Dixon Drive" contains several houses that are actually in Marthall
- * One of the most notable roads in Chelford village, Pepper Street, contains several houses that are actually in Marthall.
- * All bus routes and the only major road through our parish go to Chelford village.
- * The nearest train station, butchers, shop and post office to our parish are all Chelford.

Because of all these factors, our parish should remain in the Chelford Ward.
