## Comment text:

**Related subject:** Tytherington Ward

I am 100% behind the proposal to move the "Bollington/Tytherington boundary from the indistinct line wandering through Kingsfield Park to The Silk Road. This new boundary would be clear to Residents. If you live south-west of The Silk Road you will be in Tytherington Ward and your Councillors are xxx and xxx. Presently one Close is in Bollington and the next Close is in Tytherington. Crazy and messy!
