Great Warford is a rural community on the outskirts of Alderley Edge. Residents from Great Warford typically access services and facilities, including shops and railway station, in Alderley Edge. Children from Great Warford are within the Nether Alderley Primary School catchment area. Great Warford falls within the ecclesiastical catchment of Nether Alderley Church, however, some residents choose to worship at Alderley Edge again, demonstrating links to Alderley Edge.

Great Warford experiences a range of issues requiring Ward Councillor support, e.g. highway concerns (speeding and safety) and planning enforcement matters, therefore, any increases in the demands on the Ward Councillor, by the incorporation of additional parishes within the Mobberley Ward, would result in a loss of effective governance and representation.
