**Related subject:** Cheshire East - Knutsford

It appears the revised parish boundary of Knutsford is not reflected in the proposed borough boundary, such as the extension to the west towards the motorway, to include the new Tabley Park housing estate leaving 3CVT out of Knutsford, and also to the east, to include the entirety of the Longridge Trading Estate, part of which is over the Birkin Brook, leaving 3CMT out of Knutsford despite only being accessible from Knutsford.
