Having lived in the Bollinbrook area for the last 50 years I feel that Bollinbrook area should be linked to Upton and Broken cross .The beating of the bounds was always around Bollinbrook, Upton and Prestbury area . The children from Bollinbrook school have always been linked with Fallibroome school, not tytherington as we are the same side of the river as Upton ,Broken cross and Bollinbrook . We use the Upton priory shops daily and wouldn't consider tytherington shops as our local ones .The local bus route is Bollinbrook ,Upton and broken cross and to get to tytherington means a journey into town and then the bollington bus .so in effect makes twice the journey.
