Ward 9 includes the town of Ferrybridge, which has it's own identity. It would be nice if this could be reflected in the name of the ward, and instead of it just being "Knottingley" the name changed to "Knottingley & Ferrybridge"

## Comment text:

Good morning,

I represent Ward 9 – Knottingley. This ward also includes the town of Ferrybridge, which has its own identity and the name of the ward has long rankled the residents of Ferrybridge who feel they are ignored. It would be good if we could take this opportunity to change the name of the ward to “Knottingley and Ferrybridge” to acknowledge the residents views.

Thank you

Kind regards
