## Comment text:

Hello

According to maps given to me and Councillor Trevor Smith by [REDACTED] (Barnsley Council Planner) - about 2/5 of the ES10 Development is within the Darfield Ward.

As such the people of Darfield would have a say in that development and would benefit from any funding initiatives from it e.g. 106 Agreement Funding.

Could I ask that this remains the same after boundary changes.

Kind Regards

Chris Needham
