**Related subject:** Rockingham ward

I don't like the idea of losing Birdwell , I've lived in Rockingham 9 years now. And I also don't like the idea of changing the name to Hoyland common as Rockingham is a large ward and consists of Hoyland, Hoyland Common, Upper Hoyland, Cloughfields and Birdwell it's not just Hoyland Common. I don't mind taking Tankersley and pilley in our ward but not losing Birdwell. I am a member of the public but also a Labour Party member and I've done a lot of work in Birdwell , campaigning and got to know a lot of the residents in Birdwell and community centre, Birdwell Rec and Birdwell chapel etc. definitely want to keep Birdwell
