It has taken us many years to get 3 wonderfully committed local councillors in Bingley. All of them have excellent local knowledge and are willing to get involved on a practical level. Jerr Wood Action Group is a small group of local people who look after Jerr Wood near Binns Street. All of the councillors have helped us to cut back the willow, set up community engagement events and supported us to get grants. The thought of the proposed boundary change to literally split Bingley in two is ridiculous. Why would you want to disengage us from councillors who work so effectively for our ward?
