Comment text:

I write as [REDACTED] of Holy Trinity Bingley with St Wilfrid's Gilstead to express my disquiet at the prospect of the parish I service being divided into two separate wards.

Community and pastoral issues would, I believe, be much less cohesively addressed, in that situation.

The initial proposal would move Eldwick into a ward with Baildon, which may be a cause of concern to some, but the impression I often get is that residents of Eldwick look less towards Bingley as, for example, their neighbours in Gilstead.

The initial proposal has the benefit of keeping Bingley as a unit, and my parish together within that.

Please accept this email as my response to the current proposals for boundary changes.
