Comment text:

Related subject: Baildon

I oppose the proposed new Baildon boundary with Eldwick. It is important that Baildon & Eldwick are separate boundaries. Both Eldwick & Baildon in my lifetime have had major housing developments built & so the communities would be too big to manage together. The boundary to include the coach road area of Baildon would make much more common sense for the people of Baildon & is the preferred boundary.
