**Related subject:** Baildon

I support the recommendations of Baildon Town Council that keeps the town of Baildon as one complete electoral boundary area as opposed to earlier proposals that would have included Eldwick. Having lived the first 21 years of my life in Bingley (in an area approximately 1 mile from Eldwick) I recognise the sense of Eldwick's tie with Bingley. Following this I moved to Baildon where I have lived for the past 49 years. The settlement of Low Springs that has been in the Bingley ward in the past has always seemed an oddity given its geographical location so that remains a concern. Other than that I support the retention of Baildon Ward as a whole.
