Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Bingley

The splitting of Bingley into East and West seems to be a very disruptive solution affecting an entire community and leaving 2 wards with ineffective representation. Most of the population of both would have no representation for some of their most important local facilities. The fact that all the major facilities park, theatre, schools, health centre lie along the proposed boundary is prime evidence of splitting a community in half.
