Hi

I wish to make my views known regarding the local government boundary review affecting the Bradford Metropolitan District and, in particular, the Bingley area.

I support the proposal supported by the Bingley ward councillors which retains the Bingley ward as it is and moves Eldwick into the Baildon ward. That means I oppose the splitting of the Bingley ward into two - Bingley East and Bingley West.

As a Bingley resident of many years I don't like the idea of Eldwick moving into Baildon because it is historically part of the Bingley district but the proposal that retains the present Bingley ward as it is seems to be the least worst option.

yours sincerely
