Related subject: Boundary commission for Eldwick

Eldwick and Baildon have a moor between them. We need to keep Eldwick within the Bingley ward. We shop in Bingley and the train station we use is Bingley. Being linked with Baildon is ridiculous. Keep Eldwick as one. I do not agree that we should be split and become part of the Baildon ward. The businesses and local amenities we use are all in Bingley. Not Baildon.
