Proposal to two Bingley wards, effecting Eldwick, which is in whole situated within the ward of Bingley is ridiculous and I object that I would become split and re located within the Baildon ward, the village is located just before entry into High Eldwick, near the Methodist Church and The Acorn Pub, wholly within the town of Bingley separated from Baildon by the escarpment and Baildon moor. I am resident in Eldwick, Bingley not Baildon.
